

NATION'S FINEST

Crisis Counseling Program (CCP)

Who We Are

- Local Nonprofit
- Successful 50-year track record of working with Veterans
- Located in CA, NV and AZ
- Partnered with Federal Emergency Management Agency (FEMA) and California Mental Health Services Authority (CalMHSA)

CRISIS COUNSELING PROGRAM (CCP)

The CCP helps individuals and communities recover from natural and human-caused wildfire disasters through community outreach and access to mental health services.

Program Overview:

- Individual and Group Crisis Counseling
- Education about Our Program
- Community Networking and Support
- Assessments, Referrals, and Resources
- Paths to Recovery
- Closed Loop Referrals- VERY important!

Individual Crisis Counseling

Helps survivors understand their reactions, improve coping strategies, review their options, and connect with other individuals and agencies that may assist them.

Group Crisis Counseling—

Group sessions led by trained crisis counselors who offer skills to help group members cope with their situations and reactions.

Education about Our Program

General support and information
on resources and services
available to disaster survivors.

Assessment, Referral, and Resource Linkage

Adults and children are provided with assessment and referral to additional disaster relief services, mental health, and others such as substance abuse treatment.

Paths to Recovery

Guiding those faced with crisis towards safe coping mechanisms and community support.

Fire Preparedness

- Tips and Recommendations to prepare yourself, your families, and your residence for an upcoming fire crisis.
