Sonoma County Association of Retired Employees
www.SonomaCountyRetirees.com

These plans are offered exclusively to SCARE members and are independent of any offered by the County. Enrollment in these plans does not affect any plan you may have through the County.

Dear SCARE Member:

The role of the Sonoma County Association of Retired Employees (SCARE) is to advocate for, educate, inform, and provide social activities for our members. One of the benefits our members have access to is a variety of quality insurance plans offered at discounted group rates. The plans are offered through Pacific Group Agencies, which currently offers similar plans to numerous other California County Retiree Associations.

This Benefits Guide details the plans offered to SCARE members. These plans are completely independent of those offered through Sonoma County. All the plans detailed in this guide are available individually and are completely voluntary. You must pay the full cost of any selected plan, just as you do with, for example, the dental insurance offered by Sonoma County.

Please review the plans that are available to you. If you wish to enroll in any of these benefit plans, please complete the enclosed enrollment form. If you are enrolling in dental or vision care, it is advantageous to coordinate the end date for any prior insurance (for instance through Sonoma County) with the June 1st start date for the Pacific Group dental insurance.

The Open Enrollment period has officially begun. **Open Enrollment for the dental and vision plans ends April 11th. Coverage will begin June 1, 2025.** The other plans are available for enrollment year-round.

Please direct any benefit plan questions to the Benefits Plan Administrator, Pacific Group Agencies, at (800) 511-9065 or SCARE@pgagencies.com. Please do NOT contact SCARE, SCERA, or the County Benefits Division with questions about these plans. They will not be able to assist you.

Sincerely,

SCARE Board of Directors

Selecting the Right Dental Plan: PPO vs. HMO

When deciding between a PPO and an HMO plan, many members assume that one must be better than the other. The truth is that neither one is better than the other. They just work differently.

Both plans we offer are comprehensive and cover procedures from routine cleanings and X-rays to major issues like crowns and dentures. So why pick one plan over the other? Freedom and cost are the two main deciding factors for most members.

PPO Plans allow you to use any dentist. While PPO plans have dentist networks, you are not required to use a dentist in the network and may use a non-network dentist. However, there are significant cost savings if you do use a network dentist, as network dentists have agreed to charge significantly reduced rates.

Your savings with a network dentist work like this: You need a crown, and the normal cost is \$1,200:

- Your dentist **is** a network dentist: Your dentist has agreed with the insurance carrier to reduce fees. Instead of \$1,200, they agree to charge only \$700. Crowns fall under the Major Services category, so cost is split 50/50 between you and insurance. Your out-of-pocket cost is \$350.
- Your dentist is **not** a network dentist: Your dentist charges their standard \$1,200 rate. Insurance pays its portion based on the average local rate, around \$750. Insurance pays 50% of the \$750, and you will be responsible for the remaining balance. Your out-of-pocket cost is \$825.

We recommend selecting the PPO plan if your current dentist is an Ameritas network dentist, does not accept the Cigna HMO plan, and you're not willing to change dentists. If your dentist does accept the Cigna HMO plan or you are willing to change dentists, the HMO plan is likely the better plan for you.

HMO Plans use a network of highly qualified and pre-screened dentists. You must use one of these dentists. A referral to specialists is required and will be provided by your primary dentist.

You are never locked into a dental office. You may switch dental offices as often as you like by calling the insurance company and letting them know you wish to change.

HMO plans have set co-pays for all covered procedures. Therefore, you will know beforehand what your out-of-pocket cost will be. Your dentist is never allowed to charge more than the agreed upon co-pays.

The Fine Print: All plans have exclusions and limitations, and they can vary greatly between insurance companies and plan types. They can vary between annual number of cleanings, waiting periods, and annual benefit maximums. These issues should be taken into consideration when choosing a plan.

For example, the Ameritas PPO plan requires a crown to be 10 years old before replacement, while the Cigna HMO plan only requires 5 years.

It's also important to remember that insurance is designed to cover potential future events, not events that have already happened. Therefore, if you have already started work or have a tooth that was missing before the date this insurance started, the insurance most likely will not provide coverage for these issues.

Dental PPO

Freedom to Use Any Dentist - No Network Restrictions

Ameritas Dental Monthly Premium	
Member Only	\$49.95
Member + One (Spouse/Domestic Partner <u>or</u> Child)	\$99.90
Member + Family	\$139.50

Dental work becomes more expensive every day and as too many people find out, going without dental insurance can be a very costly mistake. This comprehensive dental plan covers over 360 procedures, from routine cleanings to major items including crowns, dentures, and implants. Whether you need routine care or something more extensive, this plan will have you covered.

Members and dependents each receive up to a robust **\$2,000 annual network benefit**. Enrollees also have a Dental Rewards benefit which allows them to bank some of their unused benefit for future use. Enrollees who use less than \$750 of their annual benefit will automatically have up to \$400 banked for use in future years.

As an added benefit, enrollees who visit the dentist at least once during the year will have their in-network Basic Services benefit increased by 5% the following year - up to an 85% maximum.

This PPO plan allows you to use any dentist. Your dentist does not need to be part of any network. However, if your dentist is an Ameritas Network dentist, you will receive significantly reduced prices. Ameritas Network Dentists have agreed to charge significantly reduced prices, typically saving you around 36% off their regular rates. Ameritas has the largest dental network nationwide with over 325,000 providers, so there is a good chance your dentist belongs.

**Find Ameritas “Classic PPO & Plus” Network providers
in your area at: <https://dentalnetwork.ameritas.com/>**

Coverage is available for the member, and you may also insure your spouse/domestic partner, and/or your dependent children up to age 26. Children aged 26 and older are eligible if they are permanently disabled and the member lists them as a dependent on their tax return. Grandchildren are only eligible if you have full legal custody.

Comprehensive coverage. Low copay for all covered procedures. Nationwide network of dentists to choose from. What more could you ask for?

This low copay Cigna HMO dental plan has comprehensive coverage, covering 380+ procedures, from routine preventative (cleanings, x-rays) to major (crowns, dentures, extractions, implants, and orthodontics), all at very low copays.

There is no calendar year maximum dollar benefit. There is no waiting period for any covered service. Whether it's a cleaning or a crown, all services are available to the enrollee on day one.

There are no surprises as the copay for every covered procedure is listed upfront. Your dentist may never charge you more than the listed for any of the covered services. Also, many Cigna providers extend discounts on non-covered procedures, such as teeth whitening.

This Cigna plan uses the expanded Cigna Dental Care Access Plus network, which has thousands of dentists to choose from nationwide. All Cigna network dentists and specialists are highly qualified and have been pre-screened and thoroughly evaluated prior to their acceptance. As with all HMO plans, you must select a dentist from the Cigna network. However, you may change dentists at any time by calling Cigna.

Coverage is available for the member, and you may also insure your spouse/domestic partner, and/or your dependent children up to age 26. Children aged 26 and older are eligible if they are permanently disabled and the member lists them as a dependent on their tax return. Grandchildren are only eligible if you have full legal custody.

ID Shield

Identity thieves target everyone, but seniors are disproportionately affected.

Monthly Premium	
<i>Note: An email address is <u>required</u> for ID Shield coverage.</i>	
Member Only	\$8.45
Member + Family (<i>Children up to age 18</i>)	\$15.95

No one needs to tell you how bad identity theft has become. We all know at least one person who was a victim. For the US alone, 33% of citizens have experienced identity theft, \$56 billion in annual losses, 15 million victims, 2.5 million identities stolen, and it goes on. And it's all kinds of fraud. The most common fraud is for government benefits, followed by credit card, bank fraud, and utility fraud.

ID Shield members have both protection and peace of mind. Protection through numerous layers of monitoring and peace of mind that if something does happen, ID Shield's dedicated team of licensed private investigators will assist in protecting and restoring your identity – no matter how long it takes.

With its proprietary High-Risk Application and Transaction Monitoring, ID Shield checks to confirm details connected to your identity are safe. If changes are noted, you'll receive immediate notification.

Credit Bureaus are monitored. You're alerted to suspicious activity, credit checks, new accounts, cards reported lost/stolen/over limit, liens/judgements, you incorrectly listed as deceased, derogatory remarks, charge offs, bankruptcy filings, address changes, and addresses associated with your name.

Dark web scanning is performed on global black-market sites, chat rooms, file sharing networks, and social feeds. Scanning is done looking for a member's Personally Identifiable Information, matches of name, birthday, SSN, email address, Driver's License, Passport, Medical ID, and phone number.

Social Media Monitoring checks for over 20 different sources of fraud and identity theft. You may not have a Facebook, Twitter, LinkedIn, or Instagram account, but someone impersonating you may!

Court Records Monitoring detects criminal activity associated with your information due to potential ID theft. Hundreds of millions of records are searched using court records from county courts, Department of Corrections, Administration of the Courts, and other legal agencies.

Payday Loan monitoring covers thousands of online, rent-to-own, and payday lender storefronts, looking for unauthorized activity using your personal information.

ID Shield is pro-active in monitoring breaches. If one occurs, members have unlimited access to identity consultation services. If theft occurs, an investigator will advise you on best practices tailored to the specific situation and can open a case for restoration. Legal Shield

Legal issues can be costly. We've leveled the playing field for about 50¢ a Day!

Monthly Premium is \$15.95

Note: An email address is required for Legal Shield coverage.

Spouse / Domestic Partner coverage is automatically included.

Child coverage is included if the child meets one of the following criteria:

- 1) Under 18.
- 2) Under 21 (23 if full-time student) and they live at home and have never been married.
- 3) Any age, mentally or physically disabled, and a dependent of the member.

Have you ever needed a Will prepared or updated? Signed a contract and not known exactly what you were agreeing to? Received a traffic ticket? Had an insurance claim denied? Wouldn't it be nice to say, "I'll have my attorney handle this" and actually mean it? With Legal Shield, you can say it and mean it.

For more than 40 years, Legal Shield has provided members direct access to attorneys, available 24/7 for covered emergency situations. Legal Shield's nationwide network of affiliate lawyers have an average of 19 years of experience. When you need help, you won't have to talk to a rookie, a paralegal, or a law clerk, but rather you will deal directly with highly experienced lawyers.

No one ever plans on legal trouble, but the unpredictability of life often throws you a curveball. Instead of trying to navigate the legal system alone, Legal Shield can help you. Whether it's as simple as writing a letter or having an attorney make a call on your behalf, or a more serious issue that leads to time in court, you can breathe easy with Legal Shield on your side.

All legal consultations start off with a call to the main provider law firm in your state. For California, the law firm of Parker Stanbury has been retained. Parker Stanbury is a full-service law firm with specialists in many areas of the law. With over 40 attorneys on staff, with a combined 700+ years of legal experience, Parker Stanbury can help with your legal issues.

Many experienced lawyers charge \$400 an hour or more. With Legal Shield, you'll experience the safety and security that over 4,000,000 members enjoy, all for around 50¢ a day. Access to convenient quality no-cost legal help will only be a toll-free phone call away. Your dedicated law firm is paid by Legal Shield, so their sole focus is on serving you, not billing you.

Benefits of Legal Shield membership include:

Advice - Your attorney may provide unlimited legal advice on a wide range of legal topics, both personal and professional.

Standard Will Preparation with Annual Reviews/Updates - Having an up-to-date Will is part of being a responsible adult. However, 68% of Americans don't have one and the numbers are even higher for minorities. Legal Shield members may receive a Will with annual updates/reviews at no cost. Spouses and covered children may have a Will drafted for just \$20.

Wills can help protect your assets from probate and intestacy laws and significantly reduce the time spent in costly probate court. They provide control of gifting assets to the specific people you choose. You also receive peace of mind, knowing that your assets are protected, and your loved ones cared for.

Living Wills and Healthcare Power of Attorneys are also available. For members requiring a significantly higher level of estate planning, **Trust** preparation is available with a 25% discount.

Letters and Phone Calls on Your Behalf - Attorneys will write letters or make phone calls on your behalf at no cost to you. Whether it's a person or company that has taken advantage of you, refused to do as promised, didn't honor a return, or did a poor job, once the other party sees that you have legal representation, they know you are serious and will work to get the situation resolved.

Legal Document Review - Attorneys will review contracts and legal documents up to 10 pages each. They will explain in "plain English" any legal terms and will suggest any changes they deem necessary. If the other party has acted improperly, the attorney can contact them on your behalf to resolve the issue.

Whether signing a cell phone contract, booking a hotel, or wanting to ensure you get your full security deposit back, legal document review can save you thousands of dollars and countless headaches.

Motor Vehicle Services - Attorneys will help you navigate the twisting roads of moving violations, accidents, defense for charges of manslaughter, involuntary manslaughter, negligent homicide, or vehicular homicide, damage recovery, driver's license issues and personal legal injury assistance.

IRS Audit Legal Services – The prospect of an audit is terrifying. Even worse, the IRS conducts audits of all tax brackets, not just the rich. With Legal Shield, if audited, your attorneys will provide consultation or assistance and you may receive up to 50 hours of attorney's time to help defend the audit.

Trial Defense - If you or your spouse are named as a defendant in a covered civil or criminal action, your Legal Shield attorney will provide up to 60 hours of defense at no additional cost to you.

Other Issues - Your law firm may provide coverage for issues not covered by this plan. These services are offered at a negotiated rate, which is **at least 25% below standard rates**. These issues may include DUI, drug matters, hit-and-run, bankruptcy, divorce and related matters, garnishments, charges of tax fraud\evsion, business tax returns, and suits filed due to conditions that were foreseeable prior to enrollment.

*Note: Benefits listed are for California. Benefits outside California may vary slightly.
Certain benefits have limits on time and scope of coverage.*

Travel Guard

Individual Trip Insurance

Vacations should mean leaving your worries behind. Unfortunately, life isn't that kind and unforeseen issues can arise. Travel Guard protects you and provides peace of mind.

Several plans are available and customizable to meet your needs. Comprehensive policies include coverage for the cost of trip cancellation or interruption, coverage for missed connections, trip delays, lost or delayed baggage, and medical coverage.

Policies may also include coverage for travel inconveniences such as closed attractions, transportation delays, rental vehicle breakdown, and transportation diversions. Upgrades that will cover cancellation for any reason, rental car damage, pet care, adventure sports coverage, security evacuation, and wedding cancellation are available.

Specialized policies are available, including medical for those needing medical coverage (Medicare does not cover you outside the US). And for frequent travelers, a more basic annual policy is available.

Coverage for pre-existing medical conditions is excluded *unless you purchase coverage within 15 days of your initial trip payment*. Coverage for losses due to COVID-19 are not covered as these losses are not considered an "unforeseen event".
